seaweed and baystar restaurant group

are proud to present our award-winning selection of fine wines, recipient of the Wine Spectator's Award of Excellence every year since 1999. Each winery is carefully selected for the quality of wines they produce that complement our unique style of menu preparation. We have continuously sought out wines that aren't typically found in most restaurants. Winemakers often dine with us personally to give their "Stamp of Approval" before shipping their wines to our cellars. Enjoy!

you can take it with you

You've picked out the perfect wine, but you just don't want to drink the whole bottle with dinner. No worries, we will provide you with a special "wine-to-go" bag so you can take the opened, un-finished bottle home with you.

corkage fees

Do you already have a special bottle that you would like to bring into enjoy with your dinner? Our corkage fee for your bottle is \$30 per 750ml. Please note that only bottles that are not currently on our wine list may be brought in. We will waive one corkage charge for each equivalent size bottle purchased from our wine cellar.
